Abdul Rehman was the third of five children born to Nizam Din Khan and Azmatay. Most of his family members were farmers in Dugri, Ludhiana though his father served as a policeman. After attending Ariya High School in Ludhiana, he joined the Indian Army Medical Corps. Following Pakistan's independence in 1947, he served in the Army Medical Corps in Lahore, Bahawal Pur, Tal, Rawalpindi and Abbottabad. He retired from the army in 1963 and began working for the Gojra Municipal Committee.

Abdul Rehman

December 22, 1918- July 24, 1964

He was an extremely devoted father. His life with us was short but full of happiness and love. Even though it is the 50th anniversary of our father's departure from this world, it seems that it was only this morning that he left for his office on that fateful day.

The Rehman Scholarships for students of Primary School at Chak No 297 JB were started in 1985. The year 2014 represents the 30th year of these scholarships. They were established to honor our father and to pay thanks to the community who acted like family members after our father's sudden death.

These awards are merit-based and awarded to the top 3 students in each class at the annual school day. Each award has a name and these names include: Abdul Rehman, M. Hafiz , Hamza, Rauf Malik, Ali Ahmad, Sian Ahmad Bux, Iqbal Kaala, Malik Sharif, M. Safdar And M. Fazal. All school students, teachers, parents, and community members attend the annual award ceremony followed by a reception. Beginning this year, the HDF Endowment will administer the Rehman Scholarships so that our tribute can be continued after we join our parents in the hereafter.
