Abdul Rehman was the third of five children born to Nizam Din Khan and Azmatay. Most of his family members were farmers in Dugri, Ludhiana though his father served as a policeman. After attending Ariya High School in Ludhiana, he joined the Indian Army Medical Corps. Following Pakistan's independence in 1947, he served in the Army Medical Corps in Lahore, Bahawal Pur, Tal, Lahore, Rawalpindi and Abbottabad. He retired from the army in 1963 and began working for the Gojra Municipal Committee.

Abdul Rehman

December 22, 1918- July 24, 1964

He was an extremely devoted father. His life with us was short but full of happiness and love. Even though it has been 51 years since his departure from this world, it seems that it was only this morning that he left for his office on that fateful day.

Rehman Scholarships

The Rehman Scholarships for students of Primary School at Chak No 297 JB were started in 1985. The year 2015 represents the 31st year of these scholarships. These scholarships were established to honor our father and to pay thanks to the community who acted like family members after our father's sudden death.

These awards are merit-based and awarded to the top 3 students in each class at the annual school day. Each award has a name and these names include: Abdul Rehman, M. Hafiz, Hamza, Rauf Malik, Ali Ahmad, Sian Ahmad Bux, Iqbal Kaala, Malik Sharif, M. Safdar And M. Fazal. All school students, teachers, parents, and community members attend the annual award ceremony followed by a reception.

This is the fourth HDF scholarship for the schools of Chak No. 297 JB. With this scholarship all students in this village will have the opportunity to compete for these awards. In 2014, the Rehman scholarships were transferred to the HDF Endowment. This will ensure that our tribute can be continued after we join our parents in the hereafter.

2015

The 2015 award ceremony was a combined ceremony of all schools and fifty two students got these awards.
